About App..

- **App's Main Menu**
- **App's Introduction**

How do I use the App?

- MY app is Adventure game using speech recognition. It is very easy to use, you can say the directions like up, down, forward, down, back. There are only 2 levels and are super exciting to play with.

Option Name
(This will be repeated for each option of the App)

- When the first screen appears it tells you its introduction and how you have to solve the game. In the second screen there are some obstacles which you have to cross and the same for third screen.
